No. 745-6—Muz. F. No. 31-94, dated Bangalore, 17 th August 1904.

Order.—The Government in the Financial Department having, in Proceedings No. 825-6 dated 11th August 1904, sanctioned the disbursement of the arrears of the vritti amounts of the Nowl Krishna Das Agrahar at Paschimavahini from 1886 to 1894, and having also conveyed their sanction to the fixed payments of the vritti allowances with effect from 1903-04 together with the arrears due to the temples and the chattram from 1894-95 to the end of 1902-03, the following instructions are issued in the matter of the disposal of these amounts.

2. The entire sum of Rs. 4,411-10-0, being the arrears for the period from 1886 to 1894 sanctioned in para 3 of the Government Order referred to above, should at once be drawn by the Deputy Commissioner of the Mysore District and be held in deposit. The amount so far as it relates to the vritties appertaining to the chattram must be utilized for repairing that institution. The archak of the Pattabhi Ramaswami temple (Annasami Ramanujiengar) has already received payment of the arrears due to him from 1886 to 1894.

3. The personal vrittidars, who are reported to have shown no inclination till now to build the Agrahar houses on the sites already selected by the Deputy Commissioner at Seringapatam, must be given a final chance with one year's time, to carry out the conditions offered to them in the order of December 1894, and distinctly warned that the promise then made will be finally withdrawn and cancelled after the expiry of this period. The arrears of the vritti allowance from 1886 to 1894 may however be utilized in giving to such of the vrittidars as show an inclination to build houses and live in the Agrahara, a suitable advance for such construction on their giving proper and adequate security. The Deputy Commissioner is requested to see that when an advance is made, the vrittidars actually build and live in their houses and perform the conditions of the grant within one year of such advance being made. The Agrahar houses should be built in accordance with an approved plan and in a suitable and healthy locality.

4. The sum of Rs. 3,727-14-0 ordered to be similarly refunded to the Muzrai Department, in para 5 of the above Proceedings, as being the arrears due to the marginally noted three temples and the chattram (including the Sadavarth Dharma) for 9 years from 1894-95 to 1902-03 should likewise be drawn, and after making the payments to the archaks of the respective temples as detailed in para 5 of the Proceedings above mentioned (if they had regularly attended to the puja work during the period in question), the balance of Rs. 1,491-3-0 payable to the chattram should also be held in deposit.

Pattabhi Ramaswamy temple.
Anjaneyaswami temple.
Chattram and the Sadavarth Dharma.

5. The Government having in para 7 of the above quoted Proceedings fixed the vritti allowances payable to the temples and the chattram as noted in the margin, monthly payments at those rates should be made to the temples. The amount due to the chattram, *viz.*, Rs. 13-12-0 should be regularly drawn every month and added on to the deposit amount, after meeting the care-taker's pay sanctioned in para 7 below. The Amildar of the Seringapatam Taluk should be directed to see to the regular performance of the services in the temples.

Rameswara temple at Rs. 108 per annum; Rs. 9 per mensem
Pattabhi Ramaswami temple at Rs 108 per annum; Rs. 9 per mensem.
Anjaneyaswami temple at Rs. 18 per annum; Rs. 1½ per mensem.
The chattram and the Sadvarth Dharma at Rs. 165 per annum; Rs. 13-12-0 per mensem.
Total Rs. 33-4-0 per mensem.

6. A regular estimate and a plan for thoroughly repairing the chattram should at once be submitted by the Deputy Commissioner to Government in the Muzrai Department.

7. The Deputy Commissioner in his letter No. 142, dated 29th December 1903, requests sanction to the entertainment of a care-taker to the chattram on Rs. 5 per month. It is accordingly sanctioned, the charge being met from the sum of Rs. 13-12-0 per mensem allotted for the purpose of the chattram.

8. The petition which one Kurma Subbannachar has presented against archak Ramanujiengar is forwarded to the Deputy Commissioner for enquiry and disposal.
